What is the interest rate?

GBP - Effective from 22 September 2022:

Balance	Gross per year %	AER %
0+	0.00	0.00

Interest is accrued daily on the daily net value dated balance and applied monthly on the final working day. A Deposit Interest Charge will apply where you hold credit balances greater than the thresholds outlined above. If you hold balances greater than the threshold shown, the Deposit Interest Charge will apply to the portion of the balance that you hold above the threshold.

Our most recent historic deposit interest rates are available to you. Your web browser may permit a download of these here, or alternatively we can provide a copy on request.

Can HSBC Innovation Banking change the interest rate?

Yes, rates are variable. HSBC Innovation Banking can increase or decrease the interest rates for reasons set out in the relevant section of our UK Banking Terms and Conditions and prior notice will be provided by email.

What would the estimated balance be after 12 months based on a representative range?

Deposit amount	Estimated value after 12 months
GBP 1,000	GBP 1,016.50
GBP 5,000,000.00	GBP 5,035,000.00

The estimated value is based on interest remaining on account and no change to the interest rate for 12 months and no withdrawals made. This is provided for illustrative purposes.
