What would the estimated balance be after 12 months based on a representative range?

Currency	Deposit amount	Estimated value after 12 months
USD	USD 1,000	USD 1,013.08
	USD 5,000,000	USD 5,070,450.92
EUR	EUR 1,000	EUR 1,006.02
	EUR 5,000,000	EUR 5,032,597.00

The estimated value is based on current interest remaining on account and no change to the interest rate for 12 months and no withdrawals made. This is provided for illustrative purposes.

How do I open and manage my account?

You can open an account by contacting your Relationship Manager.

Once open, accounts can be managed via online banking, over the phone or via email. Any qualifying customer can open this account with 0.01 local currency and currently there is no maximum amount.

Can I withdraw money?

Yes, you'll have instant access to your money so you can make withdrawals.

Additional information

AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded for one year.
